Merit Guide:
GR - Green
B - Blue
S - Silver

My thought behind the Pageantry, Puppeteer and Fire Craft Merits is all of these classes would be able to work toward putting together and having a part in the Monday evening service that the boys are in charge of. They would work with the theme of "Survivor" as they work on their presentations for the service.

Pageantry is a 2 day merit

Saturday - Chaplin has evening service
Sunday - Patrols with Cabin/Assistant Cabin Counselor
Staff with Camp Chaplin
Monday - Boys Service supervised by Camp Chaplin
