Under No Circumstances are you allowed to bring your family members to camp. There are a lot of beautiful campgrounds in and around Ruidoso if you wish for your families to be in the area. The only ones to be at camp are those who have signed up and been selected to be on staff. Those individuals have had the proper approvals put in place.

Families may come to the campgrounds on Wednesday for the ceremony, they will not be allowed at any time to enter the dorms.

We have assured the district and the parents that only authorized commanders are approved for this Merit Camp, JTC or JTT.
